Please note: we use Flora 100% natural & vegan friendly oil.  
We grill your breakfast not fry, except for the egg which is from a local  
farm with free range hens, we use Conlans Butchers sausage and crispy  
smoked bacon, our soups are veggie and most are sin free, served with  
Bertwistles brown bread. We reheat our potatoes therefore reducing the  
sugar content, airfry the fries and generally try and provide a healthy take  
on tasty food which supports local suppliers Please let a member of the  
team know if you have any food allergies
